

shopfitting warehouse Display and Storage for you

shopfittingwarehouse.co.uk

Welcome...

...to Shopfitting Warehouse, the UK's leading supplier of displays, storage, shelving and retail equipment. Whether you're looking to kit out a single retail store or an entire chain, searching for exhibition display equipment, a spark of interior design inspiration or commercial-quality storage, we have a huge choice of great products.

We want you to sell more, so we constantly seek out new products and smart solutions to satisfy your display and storage needs. We've got the stock available and the choice (of thousands of products) to fulfil your requirements, and we'll deliver when we say we will, next day if you need it urgently, or choose a particular day to suit and we'll fit in with you.

It doesn't matter how large or small your business, if you're from the private or public sector or an individual customer - we'll deliver a great experience teamed with a friendly, approachable feel. Ordering is quick, easy and convenient, whether you order online or contact us by phone, email, live chat or any of our social media channels, and we'll help you find what you're looking for thanks to our unrivalled expertise.

We have thousands of customers that rely on us and enjoy the experience of shopping with us day in day out. Why not get in touch today.

When it comes to top quality display solutions, storage solutions and retail equipment - we've got it covered.

CHROME WIRE SHELVING

One of the simplest and most aesthetically pleasing display solutions you can find, our chrome wire shelving is equally superb for storage purposes. Durable and sturdily built, it looks smart and eye-catching with its shiny chrome finish. Ideal for display and storage of products or equipment in almost any industry, it's also simple to build, easily adjustable and effortless to move around. With a wide range of sizes, configurations and accessories available for you to create the display and storage you need, it's easy to find exactly the solution you are looking for.

Stockroom Shelving

SW

Long Span Shelving

Ideal for creating sturdy and functional wall and gondola shelving displays, with our modular and highly flexible retail shelving system we offer a huge range of sizes and options. It's a very popular range thanks to its versatility, and is available in classic white or silver. If your display requirements grow, it can be easily expanded to take that growth into account. If you can't find exactly what you're looking for, why not design your own shelving configuration and request a tailored quote from us, or choose from our preconfigured units. Whatever it is you're looking for, we'll be delighted to help.
