#### General Art Guidelines

- ✓ If you have a pantone reference, do let us know
- ✓ Please supply in CMYK not RGB
- ✓ Please supply images rather than embed them
- ✓ Allow for the stated bleed area
- ✓ Create artwork to 25% of output size
- ✓ Any fonts to be converted to outlines
- ✓ Make your file resolution 300dpi
- ✓ Save your design to either PDF or Illustrator EPS files

When you're happy with your artwork please send to  
**[print@shopfittingwarehouse.co.uk](mailto:print@shopfittingwarehouse.co.uk)**

#### Next Steps

We will contact you to confirm receipt of your artwork  
When artwork is reviewed we will send you a proof  
On your sign-off, your design will go to print  
At this stage no other changes can be made  
You will be notified of expected delivery date,  
this is usually 3-5 working days
